David K. Sebastian CFP®

When it comes to focused financial planning expertise for the medical profession, David Sebastian, founder of *The Physicians Wealth Management Group*, is among the best in the

nation. Named by Medical Economics magazine as a premier financial advisor to doctors, this former Wall Street professional understands that physicians have worked hard for their assets, and he'll work just as hard to protect and grow them. As most physicians are specialists, they can appreciate the specialized attention *The Physicians Wealth Management Group* brings to their unique profession. Call David Sebastian today for focused financial expertise that has helped countless doctors and their group medical practices.
